WHIRLPOOL

Published by the Juniors of Pennell Institute

Gray, Maine

IN APPRECIATION

We wish to express our deepest gratitude to Mrs. Elizabeth Freeman, Home Economics Instructor and F. H. A. Advisor. Her untiring efforts as companion and teacher to the girls of Pennell have been unsurpassed in the ten years of her service.

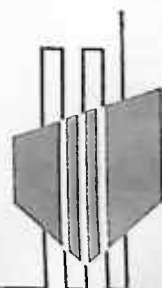

We, the class of 1959, have chosen to extend to her, our deepest appreciation.

IN APPRECIATION

To Mr. Clayton Storer, who offers a helping hand to all, we wish to express our appreciation. He not only proved to be a fine advisor to our class during the Freshman year at Pennell, but also a lasting friend.

We wish to extend our highest respect.

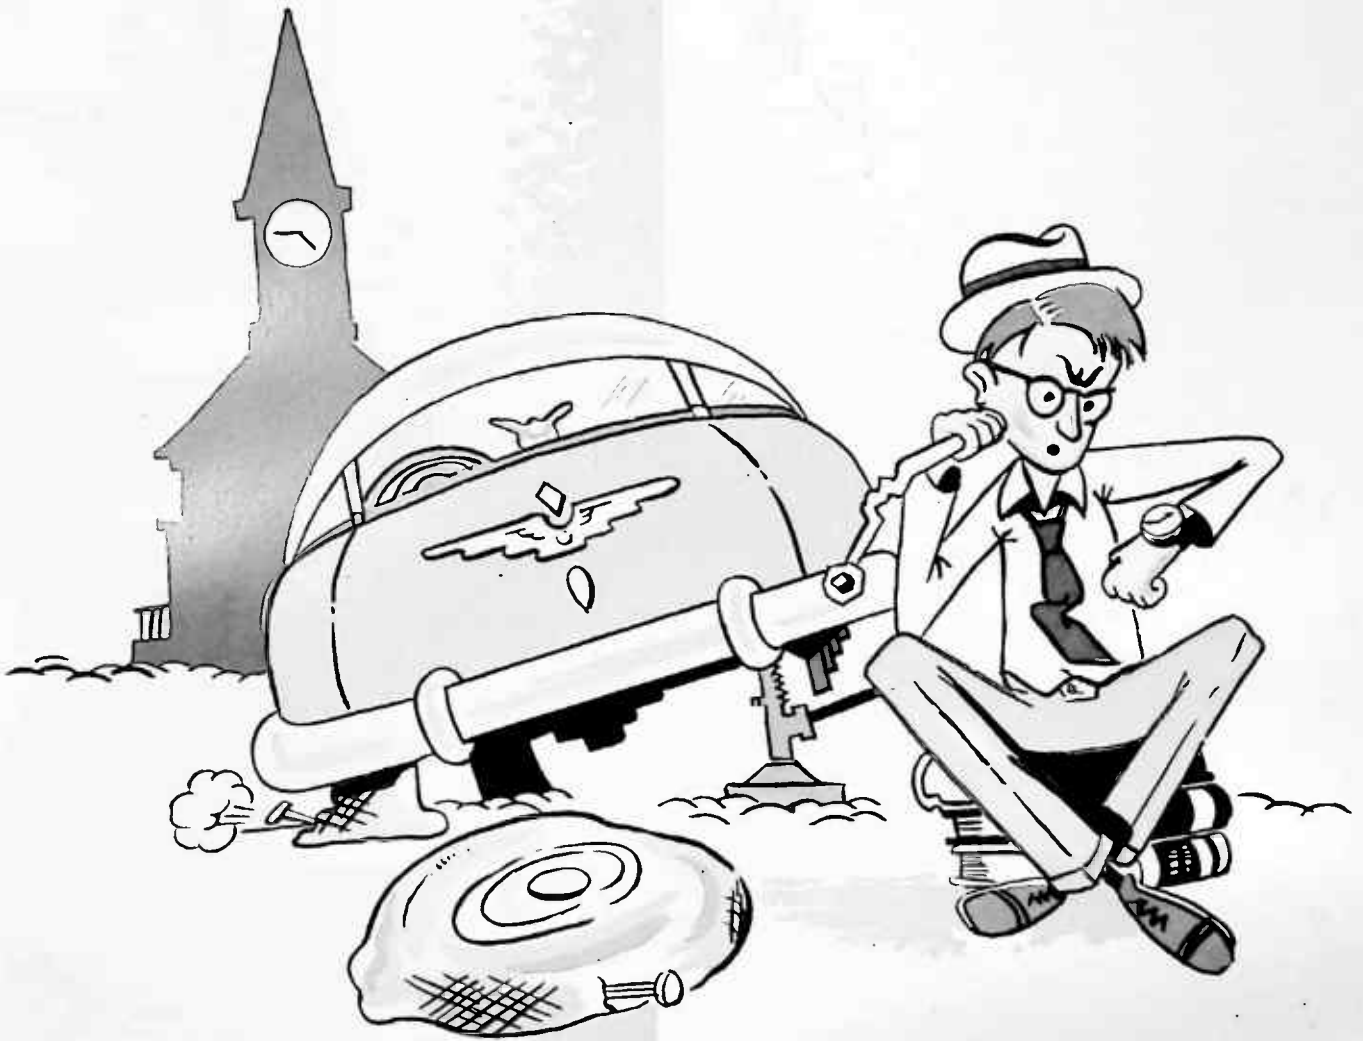

Foreword

As we, the Class of 1959, launch this momentous project, we realize that this is a book of memories written by and for the students of Pennell Institute. This, then, is your book with your accomplishments, activities, and pleasant recollections. To this end, we have decided that the theme should be, "Cars". Cars are becoming an increasingly important phase of student life at Pennell. They are used for the conveyance of the many athletic teams and their fans from point A to point B. Cars are used for transportation to and from school. As a whole, the faculty and student body are making cars more and more a part of school life. This is advantageous, for it shows in driving, the student is accepting more adult responsibility than has been the case.

The school is comparable to a car with our principal at the wheel. The driving force, or the engine, is composed of the faculty sending us to higher things. The chassis is as the student body that has been designed and molded by their parents and teachers. The wheels are the janitors, cooks, and friends, all necessary to keep the school running smoothly.

On the basis of the aforesaid, we build our, WHIRLPOOL 1958".

The JUNIOR PROM was held Friday evening, November 8, at the Newbegin Gymnasium. The decorations followed the night club theme, "Top Hat Club". Black and white streamers formed an unusual ceiling, and the walls were decorated with white top hats displaying black silhouettes of a boy and girl dancing. These top hats and silhouettes were the work of Bob Blake's artistic mind and hands. Tables were provided for the Juniors and their dates. Music was furnished by LaChance's Orchestra from Lewiston. The chaperone's corner was occupied by Mr. and Mrs. Sawyer, Mr. and Mrs. Bentley and Mr. and Mrs. Humphrey. The colorful dresses of the girls added just the right amount of color to this most exciting evening.

Future Homemakers of America

The main reason for the organization of the Future Homemakers of America is to prepare young women of today in the art of homemaking and to participate in local and State projects and problems.

Three major projects were undertaken this year by the Pennell Chapter. Thanksgiving baskets were sent to people making their Thanksgiving a little brighter. We also sent homemade food to shutins at various times throughout the year. The second project was to encourage closer home relations in the community. The third was to assist in every way possible for the civilian defense.

The over all goal of the organization is to help individuals improve personal family and community living, now and in the future.

Freshman Reception

On October 12, 1957 the Sophomore Class presented the annual Freshmen Reception at the Newbegin Gymnasium. The program began with the Freshmen performing hilarious stunts in their crazy costumes. After the reception, a record hop was held with Dex Card spinning the records, assuring everyone attending a wonderful time.

The Sophomore Class wish the future Sophomores as much fun and success putting on their Freshman Reception as we had.

ATHLETICS

CROSS COUNTRY

SEATED, left to right: B. Ducey, G. Leavitt, S. Ross, R. Sawyer, S. Conley.

SEATED, BACK ROW: Coach Mr. Tobin, P. Whitney, C. Caswell, S. Wilbur, B. King, Manager, N. Hanson.

Our Cross Country team this year was beaten by Cape in our first meet but came back with six victories. We won over: Gorham, Buxton, Falmouth, Porter, Standish, and Scarborough.

We were entering the Tri-C meet at Cape, tied for first, and favored to win, when the Flu hit our ranks. Not one member was labeled fit to run by the school physician. We are hoping to put a powerful team into the field next year, although we will be hampered by the loss of the following Seniors: R. Sawyer, S. Wilbur, B. Ducey, and C. Caswell. Back next year will be: B. King, S. Conley, S. Ross, P. Whitney, and G. Leavitt. We are hoping for support from the underclassmen to resume our place again next year.

Stanley Wilbur ready to "tear the cover off the ball".

"Porky" Abbott displays his technique for being the foul shooting champion of Pennell's Junior High Team.

Harry: A devil in class. A freshman class. Also a good friend. "Porky"

Terry Wilkinson shows us how he made all those foul shots to be foul shooting champion for Pennell.

From the benches black with people, there went up a muffled roar, Like the beating of storm waves on a stern and distant shore.

"And Away We Go"! - Maurice Beal

A strong line of support is displayed by our Junior Varsity Cheerleaders, while the players get instructions from the sideline.

SEATED, left to right: Manager, W. White, R. Sawyer, S. Wilbur, G. Leavitt, G. Durgin, Manager, N. Hanson. BACK ROW, left to right: Coach, Mr. Tobin, S. Ross, B. King, M. Beal, O. Nichols.

TRACK TEAM

The Pennell track team last spring showed it had taken a long step forward to the quality of former Pennell teams. Pennell was in a three way meet with Oxford and Mechanic Falls; also the Triple "C" championship meet. In the championship meet Pennell scored six points but the team had a profusion of fifth and sixth places just out of the money.

Donald McKeen was the only senior on the team. The number of returning veterans in this year's team make for great expectations.

Steve Ross concentrates on his form in a practice session doing the broad jump.

Morris Beal warming up for one of those tremendous discus heaves.

The outstanding javelin thrower, George Durgin, polishes up on his already fine throw.

The Pennell Swimming Team this year had high hopes of exceeding the record of Pennell's previous teams. We had back several-year-men including Senior Dave Conley. But, almost all of our hopes were killed by the epidemic of Asian flu. Dave Conley was the only swimmer able to qualify for the finals. He brought home six points for the team and his third straight victory in the 100 yd. free style.

Dave Conley takes dead aim on the 100 yd. freestyle.

Dick Sawyer shows off his form. He might have gone places had not the flu struck.

The varsity squad had a winning record this season for the first time in a number of years. Pennell finished with an over all record of ten wins and eight losses. Our Coach, Mr. Knowles put in much time and effort. The larger part of the team's success is due to him.

One of the high points of the season was during our annual Christmas vacation road trip, when we handed Bingham its only loss by ten points. Another was the final game against Windham in which we rallied in the final quarter to defeat them and climb into a three way tie for second in our division of the Triple C.

Pennell was fourth seeded in the regional Tournament and drew a bye for the first round. In the second round we played Falmouth. The lead changed nine times and we finally lost by one point in the final ten seconds.

Of this year's varsity, five are seniors and four were regulars. David Conley was the most consistent player receiving fine support from Stanley Wilbur, Billy Liberty, and Bernard Ducey.

Steve Ross fighting for the important rebound.

Mr. McLaughlin guided his team of husky hustlers through a fine season, showing only one loss. Yarmouth was the only team that seemed to lord it over the J. V's.

Among the standouts this year was Frank Davis, who was high scorer for the squad and an all-round hard worker. Bill Ayer showed his spurs to many a potential rebound, and in doing so salted away many points. Big Charlie Humphrey also was always in the thick of the game.

Coach McLaughlin was given the hero's ride at the Windham game, the last of the season. Things look good for Varsity prospects next fall.

The cheerleaders started off the basketball season with a great deal of enthusiasm and hopes of having a successful year. Both squads were all decked out in new uniforms and found themselves confident, through their appearance and ability, to cheer their boys on to a winning team. Our appreciation and thanks to Mrs. Winton, Varsity Captain, Nancy Carver, and Junior Varsity Captain, Shelia Loring.

Junior Varsity Cheerleaders

The faculty was asked to serve as judges at the try-outs for Junior Varsity Cheerleaders. Carol Swett, Freshman, Sheila Loring, Meredith Kenney and Gloria Mongeau, Sophomores, Jo Ann Robichaud, and Dorothy Russell from the Junior Class, were selected by the judges. Sheila Loring was chosen Captain.

Several new cheers were made up and learned during the year. With the help of the spectators and our supporting Varsity Cheerleaders, the Junior Varsity Team was led on to victory in the Triple C Inland Division.

Our thanks to Mrs. Winton for her part as advisor. We would also like to extend our thanks to Mrs. Russell for making collars to make our uniforms more attractive.

The following cheerleaders were chosen after a try-out in the fall, with the faculty as judges: Margaret Verrill, Sharon Preble, Carolyn Babb, Shirley Cole, Nancy Schade, Nancy McKeen, Dianne Williams.

Margaret Verrill was chosen Captain and has been most helpful to our team. We worked out several new cheers this year. We feel that we had a very successful cheering squad, lending support to bring our Junior High boys through a winning year.

Under the coaching of Mrs. LaVallee, we formed a small basketball team with high hopes and ambitions. This is our second year attempt after girls' basketball was dropped from Pennell four years ago.

We broke our unhappy record by a victory over Greely, although many of the games have been heart-breakingly close.

We elected Jean Chipman as Captain, and Brenda Baldwin as Manager.

The Pennell Rangers

The first organized rifle team in Pennell's history is riding the crest, as the Whirlpool goes to press, under the watchful instruction of Mr. Tobin.

In the Maine Rifle and Pistol Association, Pennell entered two teams. They were teams "A" and "B". The teams are chosen by putting the top seven shooters on the "A" team and the remainder on the "B" team.

We have the "A" team entered in the NRA monthly matches. The team has thus far fired in four matches. The results of our standings are to be announced sometime after the book will have gone to press.

Target shooting is a form of competition that, in the opinion of the participants, has no equal. It takes cool nerves and a good eye to fire a satisfying score. It affords enjoyment to those who don't go out for contact sports as well as those who are athletes.

Baseball

Last year the team under Mr. Knowles had a fairly good season. The practices started early and the team worked very hard as all members will vouch for. The pitchers, Arthur Thurlow, Stanley Wilbur, Bobby Mains, and Frank Davis, the catchers, Roy Lord, Maurice Beal, and Charles Humphrey, started work a week early. The rest of the team put through the grinder for a month before games got under way. They got fairly use to the taunts thrown by the coach. All this procedure, however, prepared a team that was able to upset Falmouth.

We are losing six of our members this year. They are: David Conley, Stan Wilbur, Charlie Caswell, M. Beal, R. Duplisea, Billy Liberty.

In 1958 we have high hopes of a winning team with the new batch of Freshmen.

Pennell Song

Pennell, dear old Pennell,
To us you seem so dear.
What we are here after
We owe our school days here.
Let days seem bright or dreary,
Let things go right or wrong,
We'll sing with cheerful hearts
The words of this old song.

Midst schools of all nations
Ours has done its part,
Both for men in service
And loyalty in heart.
And as the Nation's banner
Unfurls among the trees
We love the flag of service
That floats upon the breeze.

Chorus:

We have come here day by day
As the hours pass away
Every year here brings us nearer
To the time when we shall part,
Care and Sadness in our hearts,
We will think of the days spent here.

FAREWELL

In the Foreward, the word "Momentous" was used. I used momentous to refer to the great task of assembling the yearbook for publication. However, after drawing to a close the activities of this staff, we all realize it was indeed a momentous task thoroughly enjoyable and satisfying.

The staff stuck by us through the roughest, and, "Prestol" after much hard work by Mr. Tower, our adviser, and the staff, we completed this book.

We trust that you have liked our book and will keep it as a treasured possession always.
